

## **Important Information for COVID-19 Vaccine Scheduling for Phase 1A including Expanded Groups**

- Please bring the following items to your vaccination appointment: Identification (such as driver's license, work ID, etc.), insurance card if insured, and completed COVID-19 vaccine consent form.
- There will be no out-of-pocket costs to you.
- To reduce potential wait time, please visit our website to download your COVID-19 Vaccine Consent form and information packet. Upon arriving at our [www.coffeeregional.org](http://www.coffeeregional.org) website, choose "Coronavirus" on the grey menu bar, once on the Coronavirus page you will find "COVID-19 Vaccine Packet" under the Vaccine section. You can click there to access the PDF packet and print your consent form from there. We will collect your completed form from you on-site. Please review the additional contents of this packet before your arrival.
- COVID-19 Vaccine Packets will be provided at the vaccination site for those unable to print the packet out ahead of time.
- Arrive at the vaccination site within 5 minutes of your appointment time. Vaccine availability is limited, and we want to ensure you are administered your vaccine at the time you have been scheduled. If our vaccine supply is depleted before your arrival, we will reach out to you to inform you. At that time, we will reschedule you for a time when supply is available.
- Be mindful of the clothing you wear on the day you are scheduled to receive your vaccine. The injection will be administered in your upper arm, so please wear a loose-fitting shirt that provides easy access to that location.
- You will be required to wait in your vehicle on site approximately 15-30 minutes to ensure there is no adverse allergic reaction.
  - Plan ahead for this wait by using the restroom before arriving at the vaccination site, bringing any medication you will need to take while at the site and a snack if desired.
- If you are unable to make it for your appointment for any reason (time conflict, received vaccine elsewhere, etc.), please call 1-912-720-8306 and cancel your appointment ahead of your scheduled appointment time.
