
PATIENT PORTAL

Get quick access to your Personal Health Record (PHR) information, such as basic medical history, test results, allergies, medications, etc.

Three Easy Steps to Access Your Patient Portal

1. **Provide an accurate email address to the Registration Clerk at the time of admission.**
2. **After discharge, you will receive an email with your secure link to the patient portal within 36 hours.**
3. **Complete the steps in the email from Follow My Health.**

Keep your login secure and safe at all times.

This portal is separate from the CRHPP portal.

If you have a CRMC Patient Portal account set-up already and have questions about your login or need access support to Follow My Health, follow the link below or call 1-888-670-9775
https://support@followmyhealth.com

If you have never set-up a CRMC Patient Portal account and need to set-up an account as a new user, please call 912-384-1900 ext-4549 and speak with admissions.

COFFEE REGIONAL MEDICAL CENTER

- All test results from CRMC are available in Follow My Health as soon as the result is final.
- You may see your test results in your portal before your care team reviews them.
- Your care team will contact you if there is anything you should know about your results.
